## EXPERIENCE

### **Warner Brothers TVA, Bugs Bunny Builders — *Storyboard Artist.***

May 2021 - April 2023

Took written script and translated into drawings and designs. Delivered projects with tight deadlines. Stayed on brand with the language and style of the show.

### **Dreamworks TVA, Trolls: Trollstopia — *Storyboard Revisionist***

April 2019 - May 2021

Worked on-site in Glendale CA on a team maintaining daily progress check-ins. Took written script and translated it into drawings. Helped other artists meet their deadline goals by collaborating on projects. Maintained branding and brand language throughout projects.

### **Shadow Machine, Bojack Horseman — *Storyboard Artist***

Feb 2019 - April 2019

Worked on-site in Hollywood CA with a team of animators on the hit show, Bojack Horseman. Took scripts and translated pages into storyboard designs. Maintained branding and brand language. Took detailed notes from Directors and Producers for revisions and variations.

### **Age of Learning, ABC Mouse — *Storyboard Artist, Character Designer, Visual Development, Background paint***

Sep 2014 - Aug2018

Worked on-site in Glendale CA on the animation project "Search and Explore." While being part of a small team I was able to help shape the world of ABC Mouse. I worked in both Storyboard Pro and Photoshop providing both story and design needs including character design and digital background painting.
